

DISTRIBUTOR

INTEGRATION

FIELD SERVICES

UL PANEL SHOP

CITSCORP is a comprehensive Industrial Automation Distributor, providing Inventory Management, Technical Services, and System Integration Value. Vision, exceptional work ethic and the highest degree of professional standards coupled with an instinctive desire to exceed expectations offers our customers the best choice for ALL your industrial automation requirements.

Our alliances with world class equipment manufacturers and other industry professionals coupled with our in-house experience and UL 508 Panel Shop enable us to supply, service, up-fit, or up-grade a wide array of equipment in various industries (pulp & paper, metals, food & beverage, textile, material handling, municipalities, building automation, etc.).

Low Voltage Controls & Variable Speed Drives*

Sensors, Networks, Connectivity*

Sensors, Vision, Safety, Wireless*

Fuses, Fuse Blocks, Full Line*

Transformers*

Power Supplies, UPS, Redundancy Modules*

Enclosures, Climate Control, Power Distribution*

Automation Solutions*

*- Authorized Sales Partner

Drives: *(ABB, Baldor)*

- AC Low Voltages
- DC
- Medium Voltage AC
- Servo

Motors: *(ABB, Baldor)*

- AC (NEMA & IEC Metric)
- DC
- Medium Voltage
- Servo

Transformers: *(ABB, Dongan, Hammond Power Solutions)*

- Dry Type
- Single, Three Phase
- Control Power
- Buck Boost
- Drive Isolation

PLC's: *(ABB, Turck)*

- Micro
- Mini
- Modular

HMI / Monitor / Control: *(Fuji)*

- Touch Screen HMI, Control Devices

Wireless / Bluetooth: *(Banner, Wago, Cooper Omnex)*

- Wireless I_O (Point-to-Point, Star I_O, Serial)
- Ethernet Switches
- Wireless Radio Devices, 900mhz 2.4mhz 5.4mhz

Presence Sensing, Vision & RFID: *(Turck, Banner)*

- Inductive
- Capacitive
- Ultrasonic,
- Level, Pressure, Temperature, Photoelectric, Laser, Fiber Optic, Slot, Analogue, Optical Touch, Registration Mark, Luminescence, Wash Down Rated, Vision & RFID Read/Write & Tags

Feedback: *(Turck)*

- Linear Transducers
- Encoders

Machine Safety: *(Banner, Jakob, Fortress, Larco)*

- Safety Interlocks, Safety Mats, Safety Light Curtains
- Laser Area Scanners
- Stack Lights

UL 508 Panel Shop: *(CITS Corp)***Authorized ABB Drives Integrator:** *(CITS Corp)***Enclosures:** *(Rittal, B-Line, Allied Molded)*

- Metal
- Stainless Steel
- Fiberglass

Low Voltage Control: *(ABB)*

- Industrial Controls
- Fused/Unfused Disconnect Switches
- Contactors
- Electronic Relays
- Circuit Breakers
- Push Buttons, Timers
- Terminal Blocks
- Power Supplies

Motor Controls: *(ABB, Powerohm)*

- MCC, Motor Starters, Soft Starters
- Motor Protection Relays
- Current & Voltage Relays & Monitors
- Phase Voltage Monitors
- Thermal Overload Electronic Relays
- Braking Resistors

Electrical Protection: *(Cooper Bussmann, Wago)*

- Fuses
- Fuse Blocks & Holders
- Power Distribution Blocks
- Surge Protection

Power Quality: *(ABB, TCI, Bussmann, Wago)*

- Capacitors
- Line Reactors & Filters
- UPS
- Surge Suppression
- TVSS

Power Supplies: *(ABB, PULS)*

- Primary Switch Mode
- Single & Three Phase
- Broad Range Volt & Output
- Redundancy Modules
- Ride Thru Modes

Terminal Blocks: *(ABB/Entrelec, Wago)*
